

## FBs-CBE

Specification	FBs-CBE
Network interface	10 Base T
Network protocol	TCP/UDP/IP, ICMP, ARP
Application protocol	FATEK client and server mode, Modbus-TCP server mode
PLC interface	Port1, Port2
PLC communication speed	115.2 Kbps
Expansion communication interface	N/A
Application IP port number	FFATEK port number 500, Modbus-TCP 502 or customized
Security protection	IP based access control
Indicators	Internet RX, TX, LINK LEDs indicators
Wiring mechanism	RJ-45
